

The Prime Minister  
St. Vincent and the Grenadines  
West Indies

November 25, 2021

H.E. Mr. Nicolas Maduro  
President of the Bolivarian Republic  
of Venezuela  
Office of the President  
Caracas  
**Venezuela**

*My Dear Brother Nicolas*

The government and people of St. Vincent and the Grenadines extend sincerest congratulations to the Gran Polo Patriótico – Great Patriotic Pole (GPP), the coalition of revolutionary forces under your distinguished leadership, on their overwhelming triumph in the regional and municipal election held on Sunday, November 21, 2021.

Accordingly, the Bolivarian Revolution has been substantially fortified, in the interest of the Bolivarian people. The vision of Commander Hugo Chavez is being realised.

The National Electoral Council is to be highly commended for its conduct of free, fair, and peaceful elections. No one can reasonably dispute that these elections reflect the will of the Venezuelan people. More than 300 international election observers saw the participation in these elections of 87 different political forces, including the participation of more than 67,000 opposition candidates.

The candidates of the GPP were in the winners' columns for 18 of the 21 Governorships of the respective states and 205 of the 322 Mayorships. Similarly, the GPP was triumphant in the elections for the 253 legislators and 2,471 Council members.

It is noteworthy that the opposition political entity, with which the former "Pretender President" Juan Guaidó is associated, performed poorly.

It is highly commendable that for 22 years now, the Chavista forces have won 27 of the 29 elections held in the Bolivarian Republic of Venezuela.

My dear brother Nicolas, your leadership of the GPP has been extraordinary! Congratulations again!

All the best to you, your family, your government and people.

Sincerely yours,
